WELCOME

DEAR FRIENDS,

I'm so excited that you are joining us for "Hollywood Hullabaloo 2: Road to Hawaii." This performance is dedicated to the madcap musicals of the silver screen era of Hollywood. We promise an evening of silliness and great music that you're sure to enjoy!

They say that the arts reflect the soul of a community and SCC is proud to represent just one aspect of the diverse city that is Long Beach. I've been a singer with SCC since 2000 and enjoy being a part of an amazing group of people. Why do I keep singing? I sing because of our dedication to music excellence, our continued message that we all are more alike than different and the lasting friendships I've formed over the years. Mostly, I sing because it is good for my soul.

With that in mind, let me ask you a question - why did you come out and join us today? You may be here for the first time because you know a singer in our show. You may be a long-time supporter and are returning for a renewed sense of community. Whatever the reason, we're glad to have you here and hope you will return to join us again. Perhaps as an audience member, a singer, or as a volunteer.

Perhaps you may even choose to become a sponsor of our organization. Please take a moment and read about our "10 in 2010" program later in the program. Ticket sales cover about 34% of our production costs and funding for small arts organizations here in Long Beach has all but dried up. A donation of any amount will help us immensely in the future.

After the show, feel free to tell me what brought you here today and how you liked our show. Your feedback helps us greatly as we prepare to move into the 21st Season. I'll be downstairs and looking forward to speaking with you. You may also e-mail me at bcook@sccsingers.com or call (562) 439-6919.

Thanks and enjoy the show!

10 in 2010

SCC is now in its 20th Anniversary Season. 20 years for any non-profits arts organization is a true milestone. But in these economic times, it is an amazing success! Clearly we would not be here if it weren't for many passionate and committed singers and audience members over the years. These times are truly impacting arts organizations. Government, Corporate and Foundation grants are being reduced or eliminated. As a result, some organizations have folded. Many have pulled back from their traditional programming. Some have had to raise ticket prices in order to survive.

Despite these struggles, SCC is looking towards the future. SCC has a renewed energy and excitement. Membership has doubled since year. Audience sizes are growing. To recognize that these times have also been difficult on our audience, we have reduced ticket prices more than 50% off our standard ticket prices from just a year ago. We have built an army of volunteers who assist us at each concert and beginning in March 2010, SCC will add a second performance for each of our shows.

However, we still really need your help and support. That is why we are announcing our "10 in 2010" campaign! What is this, you ask? We are reaching out to you, our supporters, to ask you to join one of the following groups of 10.

- **Ten (10) individuals to make a tax-deductible donation of \$250.**
- **Ten (10) individuals to make a donation of \$100.**
- **150 individuals that can make a small \$10 donation.**

Through this campaign, we intend to raise at least \$5000. What would \$5000 mean to SCC? \$5000 would help pay for:

- **Salaries for our incredibly talented Music Director and Creative Director**
- **Rent fees for our rehearsal space and concert hall**
- **Instrumentalists for our shows**
- **The cost of producing programs for each of our concerts**

Besides your donation being tax-deductible, we are offering gifts to those people who join our groups of 10 at the \$100 and \$250 level.

- **Individuals joining the group of 10 at the \$100 level will receive two complimentary tickets and VIP seats to our June 2010 show (a \$70 value).**
- **Individuals joining the group of 10 at the \$250 level will receive same as the \$100 level as well as two complimentary Season Subscriptions to our 2010/2011 season (a \$280 value).**

As you can see, your donation would go directly to our operating costs. So, please become a member of one of our groups of ten!

Who's missing? YOU ARE!

You are either a passionate performer or an eager volunteer. We've been looking for you, but you're nowhere to be found. We want you to join our family as we prepare to move into our 21st Season! Please contact us at 562-439 6919 and enquire about auditions and/or volunteering!

Out of death comes new Life

Wishing you a happy
